

PTSO Meeting 11/19/19

I. **New business**

Furniture for the foyer requested by FOPC (Kathy Gaines) for people attending performances in Schreiber Auditorium. We suggest that the choir, band, orchestra, and theater groups could organize purchase and store the furniture and PTSO would consider contributing to the purchase price.

II. **AAPS Board Meeting Update-Anne**

Overcrowding at Pioneer addressed by Anne at the October Board meeting but felt she got lost in the bond and teacher salary issues. Then followed up with Dr. Swift and asked about a better way to address equity among the high schools. Paul DeAngelis will meet with Anne this week so she can again address the equity issues and cost analysis per student.

We suggest inviting Board to walk around our building/checking classrooms/hall space

III. **Thrift Shop**

September payout \$100 to Swim & Dive/Science Olympiad (\$50 each)

Show your Support is Nov 24-Dec 7, will put in newsletter

Bonus check \$1275 to groups, \$500 to PTSO

Groups should use the new promo when advertising

\$500 in Thrift Shop raffle tickets sold for Senior Bon Voyage

IV. **School Store**

Profits seem to be good

Money was stolen from deposits in office closet. Deposits will now be put in the safe each night

V. **Bon Voyage**

Will be using a new hypnotist this year. Still going with 1 hour earlier end time

VI. **Spirit Wear – Nesa**

\$13-14,000 merchandise still to sell (Usually do about \$12,000)

Take off online sales, has not been successful

Nesa suggested emailing an order form to all families

Also suggested having a spirit wear sale on an evening in Nov/Dec. Colleen and Nesa will look at dates for this, other PTSO members will help

Will sell Feb 4 to incoming 9th graders

VII. **Teacher Appreciation: Bethany**

Provided Jersey Mike's for the appointment conferences

Teacher holiday party: will solicit for gift cards for raffle. Teachers can pick as their names are picked out of a hat.
