

## Pioneer PTSO Meeting Agenda

1/12/21

1. Happy New Year - welcome back to virtual meetings
2. Treasurer Report Molina - we are doing ok on donations, not the same as previous years but considering Covid, we have collected some money still. We will try for a year end donation push.

We have funded, some teachers' grants, money to families in need and also money was given for Teacher Appreciation in the fall, still need to figure out distribution as about 1/3 of the gifts did not get picked up.

3. Teacher Appreciation- Bethany, she has sent ecards a couple times and will continue to do so through the year. Had thought about doing another smaller "gift" around mid winter break time or start of 2<sup>nd</sup> semester. It was decided maybe a book of choice would be nice. Then later in the year for Teacher Appreciation week we will maybe merge funds with Mr. Lowder/school and do a really nice Grub Hub gift card or bring in a catered food.

4. Funding Requests-Jenni

Spanish Books historic fiction that can be used year after year

Jewelry Design kits for the art students to do projects during virtual school

Librarian requests an online newsletter subscription all could use

5. PTOC-Laura

Talked about how all of the PTSO's were helping during the pandemic and virtual learning, lots of talk by elementarys

Laura gave them our report of the spirit wear sales and competition.

Learned about a tax penalty that had to be paid by Skyline.
